**Are you looking to bring new and diverse talent to your team?  
Do you need qualified individuals to fill your jobs?**

If so, join us for the **EmployABLE 2009 Disabilities Career Fair**, a component of the World of Possibilities Expo, a Caring Communities Event (<http://expo.caringcommunities.org/>). The Career Fair will be held on Wednesday, May 6, 2009 from 11:00 a.m. to 3:00 p.m., at the Maryland State Fairgrounds, Timonium, MD.

This Career Fair is a prime opportunity for local business, to recruit from a largely untapped pool of job candidates. As a Career Fair Employer, you will be able to recruit and interview qualified applicants who are ready to work.

This recruitment opportunity is available to you at a nominal fee of \$25.00. In addition, we will have information available about tax incentives for hiring job seekers as well as other helpful resources.

We look forward to your participation in this regional Career Fair co-sponsored by the Maryland Department of Disabilities, the Baltimore City Mayor's Commission on Disabilities, Baltimore County Commission on Disabilities, Division of Rehabilitation Services, Baltimore County Office of Workforce Development, Mayor's Office of Employment Development, Maryland Department of Labor, Licensing, and Regulation and Caring Communities, Inc.

Please complete the attached registration form and return to me by April 19, 2009. If you have any questions or require reasonable accommodations, please feel free to contact me at 410-549-5707, [mona@caringcommunities.org](mailto:mona@caringcommunities.org) or Hal Franklin, 410-887-3580, [hfranklin@baltimorecountymd.gov](mailto:hfranklin@baltimorecountymd.gov).
